Dear Sir/Madam,

Scrip Code: Thejo – EQ (SM)

Subject: Disclosure under Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 - COVID 19

As the Company manufactures rubber products and adhesives which are essential for the maintenance and continuous operations of the conveyor systems in the power generation utilities, the Local Administration of the Government of Tamil Nadu has permitted our manufacturing facilities at Unit I to carry on production of essential products with 50% of employee strength. The Company has also obtained vehicle passes for transportation of employees to the factory. Based on the said approval, the Company would start operations in a phased manner and ramp up the operations within the permitted limits during the lockdown period.

The Company would strictly abide by the sanitary and distancing norms as contained in the approval letter as well as the directives issued by various Governmental authorities in this regard.

The Company remains committed to the safety and welfare of our employees as well as other stakeholders and would continue to closely monitor the situation and take appropriate action as per regulatory guidance.

This is for your information and records.

Thanking You,

Yours faithfully,
For THEJO ENGINEERING LIMITED
